Dear Sir:-

Your letter of the 12th of January at hand and I am enclosing herewith a money order for rupees 7-4 to cover my dues for this year and part of last. I am enclosing a memorandum you sent me last year showing that for 1914 I over paid my dues, rupees 2-12, and which you credited on my 1915 dues.

I beg to apologize for not remitting this balance sooner. The trouble is that our Post Office made a mistake in figuring the value of the rupee as all money orders from this country to India have to be made out in pounds sterling on England from where it is transmitted to India.

I trust that this explanation will straighten out your books. If however, you do not find my statement correct, let me know and I will send a further remittance. Or in case the remittance I am now sending is not right, let me know.

Very truly yours,

New York, Sta. M, N.Y. 44529
